

# Imran Rather

Front End Web  
Developer(Javascript-ES9,  
CSS3, Flexbox, HTML5, React)

Professional Front End Web Developer with 3 years of experience. Have been hand coding HTML5, CSS3 and Javascript for 3 and half years now and have adopted the new features in these technologies with time, be it developing Single Page Applications (SPAs) or the modern ways to handle AJAX and Asynchronous tasks and using Object Oriented Javascript.

## WORK EXPERIENCE

### Software Development Engineer GivelIndia Pvt Ltd.

02/2019 – 02/2020 *Bangalore, India*  
*Achievements/Tasks*

- Worked primarily as a React developer. Developed re-usable independent components, handled all the behavior and interactivity of the components and updated DOM in the Declarative way using state. Consumed and rendered lots of APIs using axios.
- Took full responsibility when it comes to look and feel of the platform. Adhered to the mobile-first web designing. Designed responsive layouts for the site to work across all the major web browsers. Made use of modern flexbox, CSS3, bootstrap-4, reactstrap, styled-jsx and media queries.

### Software Engineer Photon Infotech Private Limited

08/2018 – 02/2019 *Bangalore, India*  
*Achievements/Tasks*

- Offered my services in Javascript (ES6, ES7) and also in ReactJs. Be it fetching and posting data from and to web APIs to perform Asynchronous tasks or component level handling of react-forms and their event handlings.

### Software Developer Trainee IBM India Pvt Ltd

11/2016 – 10/2017 *Bangalore, India*  
*Achievements/Tasks*

- Worked primarily as HTML5 developer
- Converted wire-frames to a beautiful responsive web pages using HTML5, CSS3, Javascript and jQuery.
